

CLAY MIDDLE AND CLAY HIGH BUILD LIFETIMES OF SUCCESS

Clay County Middle School and Clay County High School are devoted to building lifetimes of success. Functioning under a school levy, Clay Middle School and Clay High School are getting the job done. Take a look at what two National Schools of Excellence can do with the right support. During the past five years, Clay County Middle School and Clay County High School students have proved they can achieve at high levels, when given the resources such as those provided by a school levy. Here are just a few performance highlights of Clay County Middle School and Clay County High School students during the past couple of years:

CLAY COUNTY MIDDLE SCHOOL CELEBRATING MOMENTS OF SUCCESS

- Regional Math Field Day Competition
- State Young Writers' Contest and Charleston Daily Mail Spelling Bee
- Represented West Virginia at the Oak Ridge Middle School Summer Science Academy
- State Geography Bee, West Virginia History Bowl, and the State Ambassador's Camp
- Art Displays throughout our school and Local Breast Cancer Awareness Poster Contest
- Band, Choir, and Chorus Perform at: CCMS Home Football Games, the Golden Delicious Apple Festival, Travelin' West Virginia, Clay Christmas Parade, Charleston Town Center Musical Celebrations, and as members of the Marshall University Honor Band.
- Athletics: cheerleading, volleyball, football, basketball, wrestling, softball, and baseball
- Technology Student Association Outstanding State Chapter and first place in: TSA Chapter Team, Biotechnology, Construction Challenge, Digital Photography, Environmental Engineering, Essays on Technology, Flight, Geospatial Technology, Inventions and Innovations, Junior Solar Sprint, Leadership Strategies, Mass Production, Medical Technology, Prepared Speech, Promotional Marketing, Website Design, Bronze Award and Silver Award individual, and CCMS's first State TSA Officer. At the national level, our Technology Student Association members finalized in Geospatial Technology. Six TSA members recently won the State Verizon Innovative Learning App Challenge and \$5,000.00 for our chapter. They are now competing for Fan Favorite and \$15,000, so if you would like to support them, please text 2VOLUNTEER to 22333 between January 16 and February 14.
